Recent efforts suggest FIORELLA PRINCESS (4) is primed to strike soon placing over this distance past two outings. Drops another 0.5kg in weights. Solid claims. SIR WILLIAM (3) opened his account attempting a 2011m Windsor handicap last month. Beaten in a photo-finish at Newbury subsequently and appears to still be improving. Good claims despite additional 1.5kg rise. DANCING TIGER (9) appreciated the testing underfoot conditions winning by 2L at Goodwood (2011m) last start. Likely to face something similar here. Could defy a 2kg higher mark. ADVANCING (2) made a winning debut at Kempton (1609m) during May. Finished third from this mark or similar in two handicap starts and is worth considering. ATHERSTONE WARRIOR (5) maintains untapped potential over this distance.

ITRAAQ (2) is an impeccably-bred daughter of Sea The Moon. Offered some promise in three maiden and novice starts earlier in the year. Fitted with a hood for handicap debut and is fancied to go close. HUGGABLE (1) appreciated stepping up to the distance when a 6L winner under this rider at Epsom last month. Narrow second under a penalty at Newmarket subsequently. Key danger despite rising mark. HOT TOPIC (6) is another well-related performer with the potential to improve making handicap debut. AMALFINA (5) drops sharply in weights. Application of a first-time visor might help.
