MINELLA MARATHON (8) managed to win his only start in a Liscarroll point to point scoring by 1.75L. Joins the Dan Skelton stable and is of obvious interest on rules debut. CALVINO (1) wasn't far away when returning from a break last outing beaten a neck second tackling a novice hurdle at Newton Abbot. Major player. PURPLE OWL (5) made a strong return from a layoff last time at Uttoxeter finishing second. Will come on from that run and is worth considering. LES'S DESTINY STAR (3) has not been seen since finishing thirteenth in a jumpers flat contest at Warwick. Warrants a close look in the betting making hurdle debut.

Second up. Very good off a break in a hurdle (3400m) at Newton Abbot last time out. Won previously second up and appears capable of building on that record here on the back of latest performance. Key chance in this line-up.

I'M YOUR BUCKAROO (4) produced a solid third in a steeplechase (4340m) at Fontwell Park. Horses from this yard often improve for their first run of a new season and rates the one to beat. EXPRESS SURPRISE (3) held his form last season including when last seen finishing third at Bangor-On-Dee. There is scope for improvement. Worth considering. Another having his first outing of the season is THE BIG REVEAL (9). Yet to find success nine starts jumping. Needs more. BALLINTARA (5) pulled up at Fontwell Park. Forgive that recent mishap as ground was not to his liking. This is more realistic and deserves another chance.

IKARAK (3) returns from a break of seven months. Stable going well and he looks set to win again this season. Major player despite the absence. WHIZZ KID (6) could only manage to finish fourth twelve days back in a steeplechase (4020m) at Newcastle. Holds a fitness edge over all his rivals and is weighted to his best. Needs more. SPIKE JONES (5) finished third two back in a hurdle (5170m) at Fontwell Park. Couldn't emulate that effort last time out beaten 5L sixth at Windsor. Needs a revival. GIT MAKER (2) is a smart horse on his day. Continues a long losing streak. This is easier reverting to hurdles. Interesting.

Took a tumble at Ludlow six months ago. Still a maiden over the obstacles. This looks too tough.

Returned from a 115-day spell with a sound fourth in a 2400m flat race at Kempton Park All Weather last start. Back in good order and looks a top chance returning to the jumps.

Has been beaten by some pretty hefty margins lately, most recently in a hurdle (3750m) at Stratford-On-Avon when 108 lengths from the winner. Can't recommend on current form.

Average recent form on the flat. Finished fifth two runs ago then could only manage fourth last time, beaten 7 lengths at Brighton over 2000m. Big task ahead.

Impressed when she saluted two runs ago in a hurdle (3200m) at Worcester. Did a good job to finish second more recently in a hurdle (3200m) at Kempton Park, beaten just 2.75 lengths. Hard to beat.
