Hurdle **TURF** **GOOD SOFT** Participants #8

A decent-looking maiden hurdle with four main contenders. Slender preference goes the way of the Nicky Richard-trained JAPETUS (4) who picked up in fine style to take his record to two from three in jumpers flats gaining a smooth success at Hexham during April. A bright future in the novices hurdling division is anticipated. Consider: Form of a **KINGS CHAMPION** (5) debut third in a Ffos Las jumpers flat received a boost when the winner created a nice impression hurdling recently. This new Olly Murphy recruit could do well with hurdles and makes plenty of appeal. **LOCK STOCK** (6) is consistent. Shaped nicely providing initial hurdle outing when second at Worcester last month. **IS THIS FOR REAL** (3) also commands respect.

Former point-to-point winner **MOON OVER AMERICA** (3) was behind a decent performer when runner-up in a Ffos Las jumpers flat during April. PESCATORIUS (3) has been going well since being fitted with blinkers. Might yet still have more to give racing for a top stable in excellent form. The son of Getaway jumped nicely doubling his tally with fences at Sedgefield thirty six days ago and a 3.5kg rise in weights might not be enough to prevent a follow up. I AM ROCCO (1) remains a longstanding maiden. Holds solid claims once more racing off the same rating as when runner-up in this grade attempting a 3800m chase here last time out. ULTRA VIERS (7) wasn't disgraced finishing fourth tackling fences at Fontwell six months ago. May feature competing from foot of the weights. CARO DES FLOS (5) is next best.

ROE AND CO (6) showed plenty of jumping professionalism galloping on strongly when getting off the mark with fences at Chepstow recently. This unexposed Jamie Snowden trained chaser escapes a penalty for that conditional jockeys success and could prove tough to beat off an unchanged mark with first-time cheekpieces applied.
