FAR TOO FIZZY (4) is proven over this distance and brings smart form delivering a pair of placings with a 0.75L second in a 1200m Wolverhampton AW nursery preceding a close third tackling this handicap grade at that track nine days ago. Leading player. **MISTER MOET** (1) ran well a month ago producing a 2L second contesting a 1000m nursery at Wolverhampton AW. May continue the progressive trend at this level. HIGH ON HOPE (3) managed to build on a couple of promising third place finishes securing a head victory in a 1609m handicap at Chelmsford just under two weeks ago. Selected to follow up. **TOWERLANDS** (2) failed to complete a four-timer delivering a 2L second over 1408m at Newcastle last month. Warrants thought as expected to produce another big effort. **BILLY MILL** (7) raced from off the pace prior to returning from a break gaining a 1L success contesting a 1408m handicap at this circuit. Danger to all. **GILET** (1) followed a track and trip second with a 4.5L fourth stepping up to 2011m at Lingfield. Worth noting.
